More Quick Tricks (Book 2)
Quick Tricks Squared (Book 3)

Guild Discount of books is \$13 each

I will bring extra books to the workshop but if you want to preorder a book or books contact your program chairmen before the August meeting.

*Due to how quickly the workshop time can pass and all the things I want to show you I will be demonstrating some of the tricks. If you have limited prep time for the workshop **be sure to cut the Projects that are listed in Bold.** If you just want to watch that is OK, but bring paper and pencil for notes and a camera.*
